Manuscript Checklist: Evidence-Based Clinical Review

Additional information regarding evidence-based clinical reviews is available at http://jaoa.org/ss/ebcr.aspx.

☐ Cover letter addressed to AOA Editor in Chief Robert Orenstein, DO, with any special requests (eg, rapid review) noted and justified

☐ A title page including the following information about all authors:
  □ full name, title, and affiliation
  □ contact information
  □ financial disclosures
  □ contribution using language provided by the International Committee of Medical Journal Editors, as follows: "[Author(s)] provided substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; [Author(s)] drafted the article or revised it critically for important intellectual content; [Author(s)] gave final approval of the version of the article to be published; and [Author(s)] agree to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved."

☐ Narrative abstract of 150 words (see http://jaoa.org/ss/abstract.aspx)

☐ An acknowledgment section with a concise, comprehensive list of the contributions made by individuals who do not merit authorship credit and permission from each individual to be named in print

☐ Figures as separate, high-resolution JPG or TIF files

☐ Data points of charts in the case that the JAOA must recreate figures to ensure they are of reproduction quality.

☐ Permission to reprint or adapt tables, figures, and illustrations from the publisher both in the JAOA’s print and online versions (see http://jaoa.org/DocumentLibrary/ReprintPermissionRequest.pdf)

☐ Key points, take-home points, call outs

☐ 1 to 4 CME questions in multiple choice format with a brief explanation of the correct answers

☐ EBCR submissions should be 2500 words with no more than 35 references and 3 tables or figures.
